- ✓ I understand that downloading things without permission can lead to viruses or harmful software on my computer. If that happens, I will be responsible for any time it takes to fix the computer, including any impact it may have on my grades or assignments.
- ✓ If there are any issues with my computer, I will let the technology department know right away. Only the district's tech department is allowed to fix problems with the computer.
- ✓ If I leave the school district, I will return the computer before my last day at Fertile-Beltrami School.
- ✓ I know that the computer and software installed on it belong to the Fertile-Beltrami School district. If I misuse the equipment, I may lose my computer privileges or face consequences for violating the rules.
- ✓ I won't be able to bring a laptop home until I and my parents have signed the agreement and paid all the necessary fees. If I need to use technology, my teacher will make arrangements for me to have access to it in the classroom.
- ✓ If I leave my computer unattended and someone finds it and turns it in, I will need to pay \$10 to get it back. If this happens multiple times, there will be more serious consequences. If my computer is lost or stolen permanently, I will have to pay for a replacement.
- ✓ Beginning 2023-24 schoolyear, Powercords are barcoded and checked out to me. I understand that if I lose my powercord, I will be responsible for a fee before I can receive another.
- ✓ **VIOLATIONS:** If I break the rules, there will be consequences such as losing computer privileges and/or detention. The severity of the punishment will depend on how serious the offense is, and my parents may be informed.

Elementary K-6 students have Google access without email. Grades 7-8 are allowed email restricted within the district only, and grades 9-12 have outside email access as well.
