### **Reading Tutor K-3<sup>rd</sup> grade**

Students who read have the power to succeed. Join our team at the Fertile-Beltrami school as a Reading Tutor, and you can support students as they become stronger readers.

Reading Tutors serve during the school day and work with K-3 students to help them build skills and confidence. With great training and support from an onsite coach, you'll use proven activities that help students improve as readers.

This is a paid AmeriCorps member position with Reading Corps. No teaching experience is required! All you need is a passion to help kids succeed. By giving your time as a tutor, you can make an incredible impact and help our students thrive!

### **Math Tutors**

Math multiplies students' future opportunities. Join our team at the Fertile-Beltrami school as a Math Tutor, and you can support students as they build essential math skills.

Math Tutors serve during the school day and meet with small groups of students in grades **K-3<sup>rd</sup> grade** and **4-8<sup>th</sup> grade** to help strengthen their skills and confidence. With training and support from an onsite coach, you'll be use proven activities that help students improve in math. No matter your math ability, you can make a great tutor.

This is a paid AmeriCorps member position with Math Corps. No teaching experience is required! All you need is a desire to help kids succeed. By giving your time as a tutor, you can make an incredible impact and help more students become successful learners!

### **Tutor Perks**

- A paycheck every two weeks
- Additional money for college tuition or student loans. Tutors aged 55 and older may gift this to their child, grandchild, stepchild, step-grandchild, or foster child
- Child care assistance – based on family size and income
- Federal student loan forbearance and interest repayment
- Predictable schedule – daytime hours with no evenings or weekends
- Time off over most school release days and holidays
